

**Health and Medical Sciences Instructor
10-Month Position**

Reports to: The Building Principal
Location: Fluvanna County High School
Salary: [Teacher's Salary Schedule](#)

The teacher will hold valid Virginia professional license (master's degree with 18 graduate hours in health care preferred) with an endorsement in health and medical sciences.

- A. Endorsement requirements. The candidate must have:
1. Graduated from an approved program of study for preparation of health care professionals;
 2. A license or be certified as a professional practitioner in the area in which one is to be teaching; and
 3. Completed two years of occupational experience in an area related to the area to be taught.
- B. Technical Professional License. An endorsement in a specialized health occupations area may be granted to individuals who have:
1. Been recommended by an employing Virginia educational agency;
 2. A license or be certified as a professional practitioner in the area in which one is to be teaching;
 3. Completed two years of occupational experience in the area sought;
 4. Completed health occupations' certificate or associate's degree program; and
 5. Completed professional studies requirements— human growth and development: 3 semester hours; curriculum and instructional procedures in career and technical education: 3 semester hours; and applications of instructional technology or classroom and behavior management: 3 semester hours.

The Virginia Board of Nursing also requires that Nurse Aide instructors:

1. Be a registered nurse who holds a valid, unrestricted license in Virginia or a multistate licensure privilege.
2. Have two years of experience as a registered nurse within the previous 5 years and at least one year of experience in provision of long-term care facility services. Such experience may include, but not be limited to, employment in a nurse aide education

program or employment in or supervision of nursing students in a nursing facility or unit, geriatrics department, chronic care hospital, home care or other long-term care setting. Experience should include varied responsibilities, such as direct client care, supervision and education.

The current position involves teaching:

Nurse Aide I and II which includes clinical supervision of students in a long-term care facility

Medical Terminology (Dual Enrollment with PVCC)
