

Our targeted student-teacher ratio is 22:1. We have a variety of student programs including special education, gifted and talented education, career and technical education, and alternative education. Our parents are actively involved in our schools. And, our expectations are high for our students.

Our Mission: The mission of Fluvanna County Public Schools is to provide quality education whereby all students acquire the skills, knowledge, and values necessary to develop into responsible and productive citizens of the twenty-first century.

Fluvanna County Public Schools

About Fluvanna County

Founded in 1777, Fluvanna County is currently the fourth fastest growing community in the Commonwealth of Virginia. Yet, we pride ourselves in maintaining a rural, community-based atmosphere where neighbors care about one another. We are located just off Interstate 64 about 20 miles east of Charlottesville, about 60 miles west of Richmond, and about 100 miles south of Washington, D.C.

One of eight Virginia school divisions recognized by Standard and Poor's School Evaluation Services for narrowing the achievement gap.

Our Vision: An educational partnership comprised of highly qualified educators, responsive learners, supportive parents, and a community dedicated to lifelong learning through responsibility and respect.
